Holiday's during Term Time

Taking your child on holiday during term time can be disruptive both to your child's education and to the school. Holiday's in term time can only be agreed by the Director. Parents must apply by completing an absence form, giving at least 4 week's notice of intended absence. The Spanish Ministry of Education are reducing the numbers of children missing school because of holiday's taken in term time and schools can refuse your request to take your child out of school. Unauthorised absences may lead to Penalty Notice or a Summons being issued against you for irregular school attendance.

Great news to all Parents/Guardians. We are now accepting Direct Debit payment. This will make payments much easier for both yourselves and us. All we need is your bank information. Please forward info to kiddibankdaycare@gmail.com.
